

Rainbow Creek Watershed

Septic System Rebate Program

The Septic System Rebate Program ends on February 29, 2016 or when rebate funding is exhausted.

REBATE PROGRAM RULES:

1. The rebate is to reimburse part of the expense of having a septic system inspected and, if deemed necessary by the septic system hauler, pumped.
2. Rebate Program participants MUST be located within the San Diego County portion of the Rainbow Creek watershed. A map of the Rainbow Creek watershed can be found at <http://missionrcd.org/rainbowrebates>.
3. Rebates will be administered on a first-come, first-served basis. A limited number of rebates are available and are limited to one rebate per household.
4. To begin the Rebate Program, participants will go to <http://missionrcd.org/rainbowrebates>. The participants then MUST create a login account and complete the online pre-survey, septic system module and quizzes, and on-line post-survey.
5. Once the surveys and module quizzes have been completed and submitted via the website, the rebate program participant will contact Bethany Principe at Mission RCD to confirm that the surveys and quizzes were successfully completed. Beth Principe can be contacted at (760) 728-1332, beth@missionrcd.org or at 1588 S. Mission Road, Suite 100, Fallbrook, CA 92028. After verifying that surveys and quizzes were successfully submitted, Beth Principe will confirm that participant has been added to the "Septic System Rebate Program Sign-Up List". Once the available spaces have been filled on the "Sign-Up List", an "Alternate Sign-Up List" will be started.
6. To receive the rebate, within 60 days of being added to the "Sign-Up List", the participants MUST submit, to Mission RCD, an original receipt, the address of the septic system location, and the estimated volume pumped and percent of solids pumped from the septic system's tank.
7. Rebates will only be reimbursed for services provided by permitted septic haulers. A pdf of the list of permitted septic haulers in San Diego County is located at <http://missionrcd.org/rainbowrebates>.
8. If the Rebate Program participant does not submit a receipt and the other information detailed in Rule #6 within 60 days of being added to the "Sign-Up List", the participant will have forfeited his or her rights to the rebate and the rebate will be given to the next person on the "Alternate Sign-Up List".

9. If the Rebate Program participant is from the “Alternate Sign-Up List”, he or she will have 60 days from the day he or she was informed of being moved to the “Septic System Rebate Program Sign-Up List” to submit an original receipt and other information detailed in Rule #6.
10. The original receipt and requested information can be submitted in person or via mail to Mission RCD at 1588 S. Mission Road, Suite 100, Fallbrook, CA 92028. If mailed, the postmark date must be within the 60 day deadline.

REBATE PROGRAM EXPLANATIONS:

1. A check for \$200 will be written to the Rebate Program participant within 7 days of the submittal to Mission RCD of the items detailed in Rule #6.
2. ALL of the information collected for the rebate program will not be sold or put on a mailing or calling list; it is for informational purposes only.
3. For more information or if you have questions regarding the Rebate Program, please contact Bethany Principe at (760) 728-1332 or beth@missionrcd.org.
